AIDAN JUSINO

Graphic Designer

PROFILE

Up-and-coming graphic designer working on obtaining a New Media Technology AAS degree. Looking for an entry level graphic design job that can expand my knowledge in the field and allow me to become an even better designer.

EXPERIENCE

Volunteer | July, 2019 - June, 2021
Green Chimneys - Brewster, NY

- Helped with Campus Clean-Up, finding trash around campus and using teamwork to transform it into a better place for animals.
- Volunteered in the school cafeteria. Stacking food crates, washing them, and delivering food to the adolescents for lunch period with the Kitchen Crew.
- Worked in the garden, where I tended to plants, helped the garden staff pull weeds, and moved lumber in wheelbarrows

EDUCATION

CUNY LaGuardia Community College (2022-present)
Pursuing an Associate's in New Media Technology
Expected graduation year: 2024

Green Chimneys School (2019-2022)
Graduated with a high school diploma in 2022.
